In Loving Memory of our Friends

In Loving Memory of Our Daughter Samantha Stampley

We had you for seventeen years,
We loved, we laughed and shed our tears,
God came down and took you away,
To be with him, for that was his way.
The days were dark for you for so long,
For when you were struck with Batten's disease
Everything went wrong.
Your world was from then on dark,
But you still had a loving heart.
You never gave up because you were strong from the start.
We will miss you, my darling, you can believe that,
But now you are with "God" in Heaven above,
and he's holding you with all his love.
Rest in peace, our Precious one,
As you sit with "God" on his Golden Throne.
Someday we will be together again,
And we'll rest in peace, in "God's" loving hands.

Era Lee Lamey
5/19/98

Scotty Faggard 9/24/81-9/26/97

We miss you very much, Scotty,
you will always be in our hearts.
We know God will take care of
you, but it's still hard to let you
go. You'll always be with us in
memory and spirit, and not a day
goes by that we do not think of
you. You were a wonderful
friend to everyone. We will
never forget your smile or your face.
Everyday we think of you and
remember all the memories of
you. You were a loved person
by all who knew you, but the
thing that made you special is that
you loved us back, too. You
were a kind and sweet individual
We all love you and miss you.
Rest in Peace.

Just Wanted to Say Thanks

for the great and wonderful two years on the staff.

I will never forget the memories and the stress of a final deadline. It looks like it all paid off, great book you guys! Thanks to two special people, Mrs. Harwell and Mr. Anderson, for the great leadership and the Christian example you set for me. The both of you mean more to me than you will ever know. Also, thanks to the staff and the hard work, great times, lunches, and the get togethers.

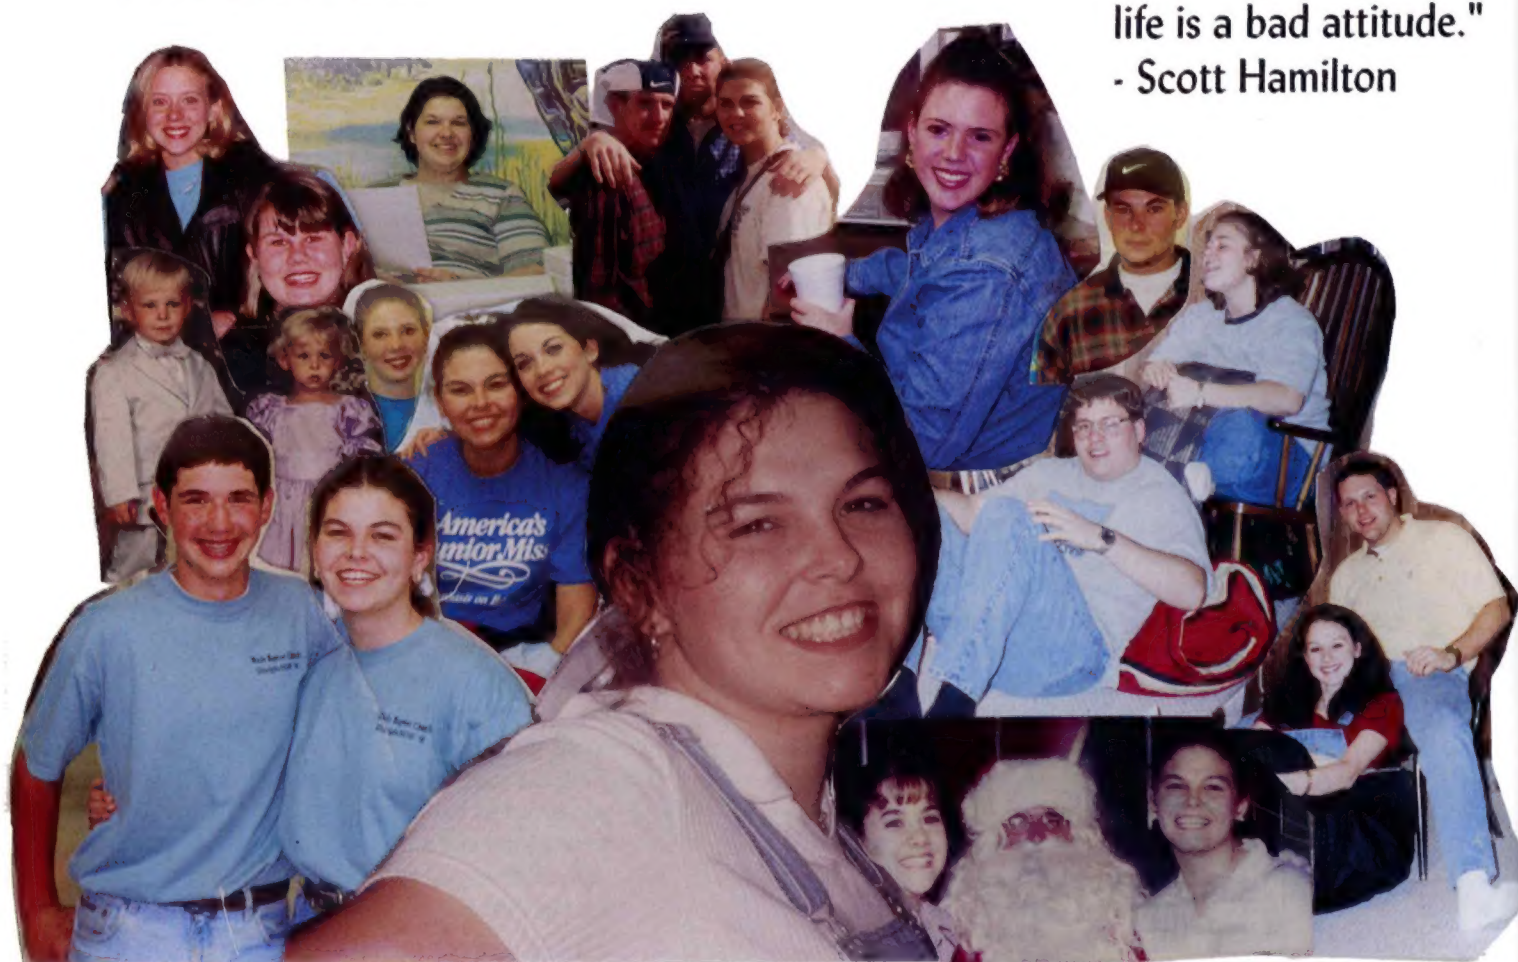

Thanks for a great year.

Just a few
frriends...

"The only disability in
life is a bad attitude."
- Scott Hamilton

The experiences and friends that I have made as a member of the Annual Staff are memories that will last forever. A Special Thanks to our sponsor **Mrs. Paulette Harwell** for her excellent support and guidance. She has gone above (the school ha,ha) and beyond the point that all great teachers must reach to teach.

Brian Knight

Brian enjoys the following activities: baseball; basketball; lifting weights and also enjoys River Dancing with Jason Pittman. Brian plans on attending Park for his major in mathematics.

Brian is the 1998 Valedictorian. For the past two years Brian has been chosen All-District 8-4A in basketball and baseball. He also has lettered three years in those sports. Brian is the Co-Captain of FEA, student council and Jr. class vice president.

We asked Brian's opinion on being a student at ECHS... "I have enjoyed being a student at ECHS very much. It has provided me with a quality education and many lifelong friends. I would like to thank the administration and faculty for their lessons and caring attitudes. I would also like to thank all my friends for blessing me with many memories. I will miss you all."

Mr. & Miss ECHS

Mel Smith

Melissa enjoys the following activities: cheerleading, gymnastics, singing, lifting weights, and other activities related to church. Mel plans on attending the University of Mobile and plans to be a youth minister. Mel was a six year cheerleader, selected by the Universal Cheerleaders Association as an All Star cheerleader.

We asked Mel's opinion on being a student at ECHS... "Being a student at ECHS has been quite an experience. I must say that I've Learned more lessons about life from the people who refused to be my friend than I did from the people who were always nice. If I could leave one thought with the future students it would be this: Smile & the world smiles with you frown & you frown alone."

The World Is An Open Book at East Central Public Library

21801 Slider Road in Hurley
588-6263 (Fax: 588-6268)

We have a world of books—fiction books, non-fiction books, easy books, picture books, large print books, history books, books of every color, stripe and shape. But we have much more.

With your library card (original issued free), you can also check out videotapes, a slide projector, audio cassettes, and Polaroid cameras.

Thanks to our on-line public access catalog, a computerized listing, updated daily, you can borrow on intra-library loan any of the nearly 220,000 items in our Jackson-George Regional Library system.

We also have plenty of answers. We have reference collections, access to computerized national data bases, microfiche copies of complete phone books for every major city in the United States, and local and national newspapers on microfilm and microfiche.

And if that isn't enough, we have paperback book swap shelves, copy machines, Dial-A-Story for children (769-3071), access to talking books, records and machines for handicapped persons, library service to the homebound, and car seat leasing.

Other services include use of our meeting room and a personal computer for public use, and special programs like summer reading for children. Pre-school storytimes are on Thursdays at 10 a.m. and 1:30 p.m.

We make every effort to meet your information and communication needs. Our library, one of the fastest growing in the system, has recently been enlarged and renovated. The expansion, funded by the Jackson County Board of Supervisors and the State of Mississippi, increased the size of the existing building by almost 50 percent to a total of 7,216 square feet. The expansion provides larger reading areas, more book stacks, and additional study areas.

This facility is proudly supported by the Jackson County Board of Supervisors.
